

Surokkha Medical Center Ltd.

**TRUSTED HEALTH SCREENING FOR GLOBAL TRAVELERS
—WITH ACCURACY, INTEGRITY, AND CARE**

About Surokkha

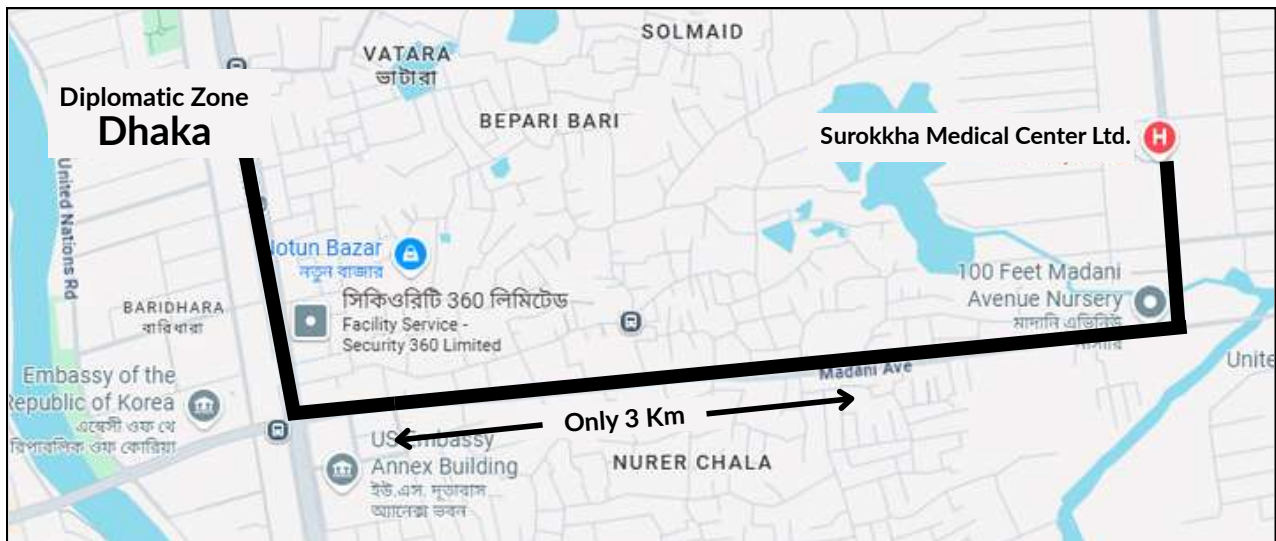

Surokkha Medical Center Ltd. is an ISO-certified facility providing reliable, efficient, and accurate medical services for candidates. We go beyond routine diagnostics to deliver peace of mind through precise, timely, and candidate-focused care—meeting international standards at every step.

The Confidence Behind Surokkha

- Advanced Automation & Quality Control
- Certified, Government-Registered & GCC-Approved
- Rapid Turnaround Time
- Integrated Diagnostic Services Under One Roof
- Commitment to Global Standards
- A Calm, Clean & Welcoming Environment

We combine technology, expertise, and compassion—because your health deserves nothing less.

Location Plan

Surokkha Medical Center Ltd. enjoys a prime location near Dhaka's diplomatic zone, major roads, and Madani Avenue, ensuring easy access from all parts of the city and nearby districts. Well-connected by public transport and close to embassies, offices, and institutions, it offers smooth and convenient access for all medical needs.

Our Vision

To be a leading diagnostic healthcare provider in Bangladesh, known for trust, innovation, and excellence. We envision a healthier future where every individual has access to world-class diagnostics, empowering early detection, better treatment decisions, and improved health outcomes – both locally and globally.

Our Mission

To provide accurate, timely, and affordable diagnostic services using advanced medical technology and highly skilled professionals. We are committed to improving the health and well-being of our patients through ethical practices, compassionate care, and international-standard laboratory excellence making quality healthcare accessible for all in Bangladesh.

Objective

Our objective is to establish Surokkha Medical Center Ltd. as a trusted name in diagnostic healthcare by:

- Ensuring our medical test results are precise and delivered on time.
- Utilizing our advanced, automated laboratory technologies for greater accuracy and efficiency.
- Maintaining our commitment to the highest standards of hygiene, ethics, and professionalism.
- Expanding our reach to provide quality diagnostic services across both urban and rural areas.
- Building long-term trust through our transparency, compassionate care, and consistent service excellence.

Through these efforts, we aim to improve healthcare outcomes and contribute meaningfully to the well-being of every candidate we serve.

Core Values & Differentiation

- **Advanced Automation & Quality Control:** Fully automated systems with stringent quality protocols ensure precision, rapid turnaround, and minimal human error.
- **Certifications & Accreditation:** Government-registered, GCC-approved for overseas medical screenings.
- **Rapid Turnaround:** Same-day reporting for many tests ensures timely care.
- **Comprehensive Diagnostics Under One Roof:** Integrated services—from routine labs to advanced imaging—ensure smooth workflow and faster results.
- **Global Standards & Continuous Innovation:** Commitment to international benchmarks through ongoing upgrades and staff training.
- **Patient-Centric Environment:** A calm, clean, and welcoming atmosphere designed for comfort and efficient care.

Services

We have highly qualified and experienced consultants and para-medical staff who are dedicated to providing comprehensive medical services under one roof.

We are committed to constant upgradation of our equipment and the introduction of newer diagnostic procedures to ensure accurate and efficient medical examination services.

Physical Check-Up

Medical Check-up for Travelers

Pathology Lab Services

Radiology

Vaccination

Nutrition & Diet Consultancy

Physical Check-up

Regular physical exams are essential for early disease detection, monitoring your overall health, and meeting visa or job-related requirements.

Our doctors take the time to understand your medical history, lifestyle, and symptoms before making recommendations. We also help you interpret test results and plan next steps — whether it's lifestyle changes, further diagnosis, or treatment.

Medical Check-up for Travelers

Surokkha Medical Center Ltd. offers comprehensive health screening services tailored for individuals planning to travel abroad for work, study, Hajj/Umrah, or tourism. As a GCC-approved and government-registered diagnostic facility, we provide certified medical check-ups required by embassies and immigration authorities – ensuring a smooth and stress-free visa process.

Our expert team and fully automated laboratory systems ensure accuracy, efficiency, and compliance with international health standards. Whether your destination is Saudi Arabia, UAE, Qatar, Kuwait, Oman, Bahrain, Malaysia, or the USA, Surokkha is your trusted partner in meeting all medical documentation and health clearance requirements with professionalism and care.

Pathology Lab Services

Our Clinical Biochemistry & Immunology Laboratory delivers comprehensive and high-quality testing services, combining cutting-edge technology with clinical expertise. We offer a wide range of automated biochemical and immunological tests that support early diagnosis, disease monitoring, and personalized treatment for patients across Bangladesh and beyond.

Our Pathology Test Categories Includes:

- Blood Tests: CBC, ESR, Blood Sugar, Lipid Profile, LFT, KFT
- Infectious Disease Screening: Hepatitis B/C, HIV, Malaria, Dengue
- Hormone Tests: Thyroid Panel (TSH, T3, T4), Insulin, Cortisol
- Urine & Stool Tests
- Pregnancy & Fertility Tests
- Cancer Markers (PSA, CA-125, etc.)
- Pre-employment & Visa Test Panels and more.
- Hepatitis Screening (A, B, C, E)
- HIV Serology
- TORCH Panel Testing
- Dengue IgG/IgM, Typhoid, and Malaria Serology
- Autoimmune Disease Panels
- Allergy Panel Testing (Food & Environmental Allergens)

Radiology Services

Surokkha Medical Center Ltd. offers a full range of digital radiology services, including X-rays and diagnostic imaging essential for visa medicals, injury detection, lung screening, and more. Whether you're preparing for travel abroad or need imaging for a health condition, our certified radiology team is here to help.

Surokkha Medical Center has:

- Digital X-ray facilities with low radiation exposure
- GCC-approved diagnostic center for visa medicals
- Quick image processing & report delivery
- Expert radiologists to ensure accurate interpretation
- Clean, safe, and patient-friendly environment
- Integration with pathology and physical check-ups for complete diagnostics
- Digital x-rays have two distinct advantages: They use less radiation, this means they can be magnified and altered digitally to enhance the view ability which makes a significant difference to evaluate the x-ray and diagnosis for health.

Vaccination

Comprehensive vaccination services for individuals of all ages — whether you're preparing for international travel, employment abroad, or simply protecting your family's health.

Our Vaccination Services Include:

- Hepatitis A & B Vaccine
- Typhoid Vaccine
- Meningococcal (Meningitis) Vaccine
- Influenza (Flu) Vaccine
- Tetanus-Diphtheria (Td/Tdap) Vaccine
- MMR (Measles, Mumps, Rubella) Vaccine
- Polio (IPV/OPV) Vaccine
- Yellow Fever Vaccine (as per availability & travel requirement)

Nutrition & Diet Consultancy

Our licensed nutritionists and dietitians provide personalized diet plans and evidence-based guidance to help you live a healthier, more energetic life — whether you're managing a chronic illness, preparing for travel abroad, or simply aiming for better fitness and wellbeing.

Our Nutrition & Dietitian Services Include:

- Complete Nutritional Assessment
- Weight Management Plans (Gain/Loss)
- Diabetic Diet Planning
- High/Low Blood Pressure Diets
- Cholesterol & Heart-Healthy Diets
- Gastric & Liver-Friendly Diets
- Pregnancy & Postpartum Nutrition
- Nutrition for Students, Workers & Elderly
- Nutrition for Hajj/Umrah or long-term travel abroad

Health Screening Packages

Discover a suite of comprehensive health screening packages specially curated by Surokkha Medical Center Ltd. for your wellness needs. Whether you're scheduling regular check-ups, specialized screenings, or executive-level health assessments, our offerings cover a full spectrum of diagnostic tests and personalized consultations.

Immune System Check-up

- RT-PCR

We offer a wide range of diagnostic tests and pathology services using advanced laboratory equipment and certified testing protocols. Whether you need routine blood work, travel-related health screening, or chronic disease monitoring, we provide fast, accurate, and affordable testing – all under one roof.

Skilled & Expert Team

Our highly qualified and experienced Medical Team plays a crucial role in ensuring the quality and accuracy of every health report.

Each examination is conducted with utmost precision, followed by a thorough analysis and review by our doctors. We leave no room for error — because your health, visa approval, and future depend on it.

From initial screening to final certification, our team is committed to delivering trusted, timely, and reliable results for every individual.

Expert Doctors

Dedicated Supporting Staff

Expert Doctors

We take pride in our team of highly qualified and experienced medical professionals dedicated to delivering precise and compassionate care. Our facility has separate male and female Medical Officers to ensure comfort and privacy during physical examinations.

In addition, we have on-site expert Radiologists for accurate imaging diagnostics and Pathologists for meticulous laboratory analysis.

This multidisciplinary team works in close coordination to uphold the highest standards of diagnostic accuracy, patient care, and clinical excellence.

Dedicated Supporting Staff

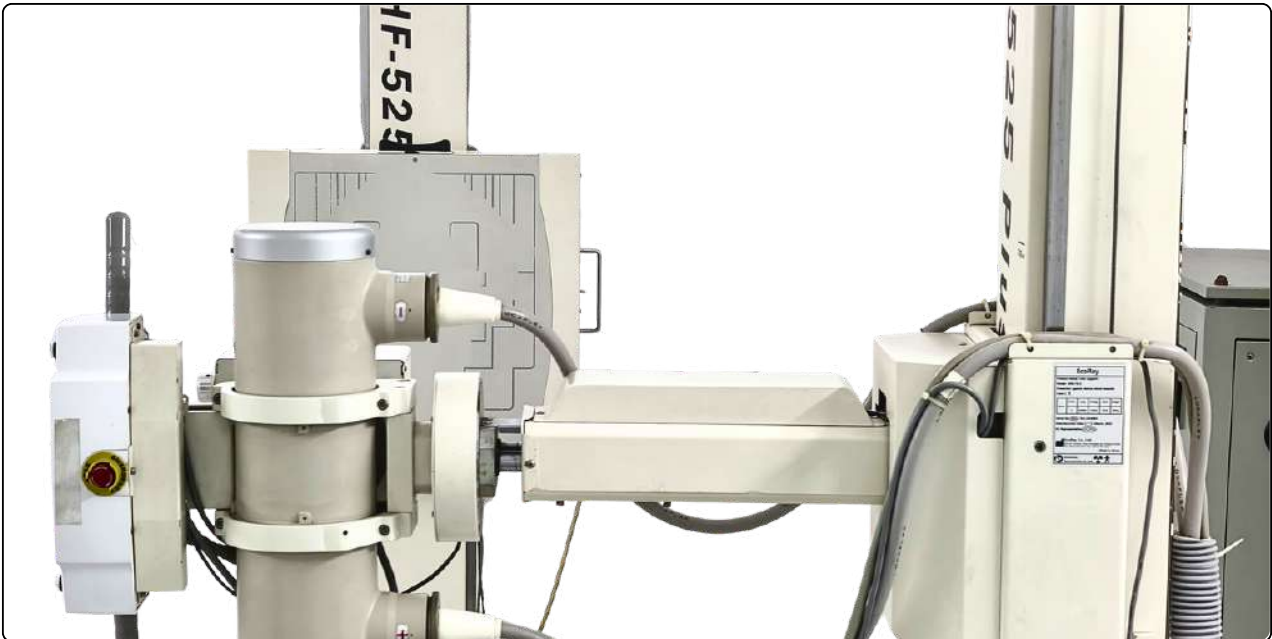

Behind every successful diagnostic process at Surokkha Medical Center is a team of dedicated supporting staff who ensure smooth operations and a patient-friendly environment.

From front-desk executives and sample collection technicians to administrative personnel and IT support teams, every member is trained to provide courteous assistance and efficient service.

Their professionalism and commitment play a vital role in maintaining seamless workflow, reducing patient wait times, and ensuring a hassle-free experience for all visitors.

Advance Software

We leverage best medical software systems to ensure seamless workflow and precision at every step of our diagnostic process.

From patient registration, biometric verification, and sample tracking to report generation and delivery — every operation is managed through a centralized, secure software platform. This advanced digital infrastructure minimizes human error, ensures data accuracy, and accelerates report turnaround times.

Additionally, our online report portal allows patients to conveniently access their test results from anywhere, ensuring a smooth and efficient healthcare experience.

Biometric Verification

Surokkha Medical Center Ltd. ensures the highest level of patient identification accuracy through biometric verification systems, including fingerprint and face recognition.

This advanced verification process eliminates the risk of identity mismatches, enhances security, and streamlines patient registration and sample tracking.

By integrating biometric data with our digital systems, we maintain a secure, error-free diagnostic workflow, ensuring that every report is accurately linked to the right patient with complete confidentiality.

Access Controlled

Surokkha Medical Center Ltd. maintains a highly secure working environment through a digital access control system that regulates staff entry to sensitive areas such as laboratories, data centers, and administrative zones.

Using RFID cards and biometric authentication, we ensure that only authorized personnel can access critical workspaces, safeguarding patient data, laboratory integrity, and operational workflow. This system enhances security, accountability, and efficiency across all departments.

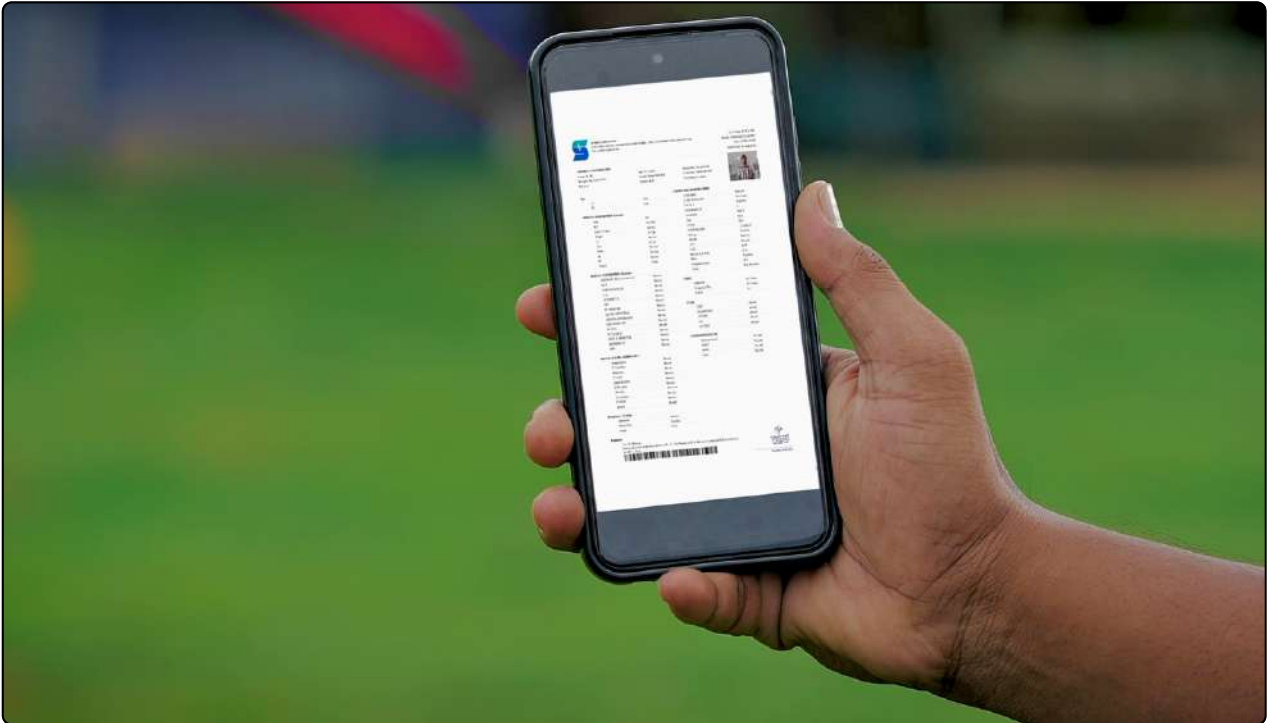

Digital Data Manage

All patient information, diagnostic records, and laboratory workflows are managed through a robust digital data management system. This ensures secure storage, real-time tracking, and easy retrieval of medical data with minimal manual intervention.

Our integrated software ecosystem maintains data accuracy, protects patient confidentiality, and allows seamless coordination between departments. Additionally, patients can access their reports online, making the entire process efficient, transparent, and hassle-free.

Online Report

Surokkha Medical Center Ltd. offers a convenient online report delivery system, allowing patients to securely access their test results from anywhere, anytime.

Once diagnostic tests are completed, patients receive a secure link via SMS or email to download their reports. This digital service not only saves time but also ensures quick communication between patients and healthcare providers. Our online report system is designed with strict data privacy protocols, guaranteeing confidentiality and ease of access.

24/7 CCTV Monitoring

Surokkha Medical Center Ltd. offers a convenient online report delivery system, allowing patients to securely access their test results from anywhere, anytime.

Once diagnostic tests are completed, patients receive a secure link via SMS or email to download their reports. This digital service not only saves time but also ensures quick communication between patients and healthcare providers. Our online report system is designed with strict data privacy protocols, guaranteeing confidentiality and ease of access.

Other Facilities

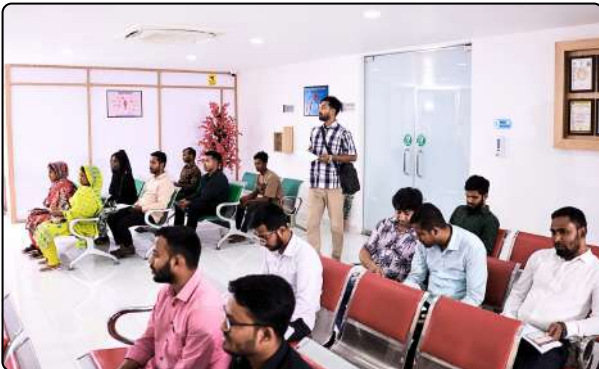

To enhance patient convenience and experience, Surokkha Medical Center Ltd. offers fast reporting services, best machinery, and comfortable sitting arrangements. Our premium lounge, drinking water stations, and mobile charging points ensure visitors remain relaxed and connected while they await their services in a clean and welcoming environment.

Fast Reporting

Fast Reporting

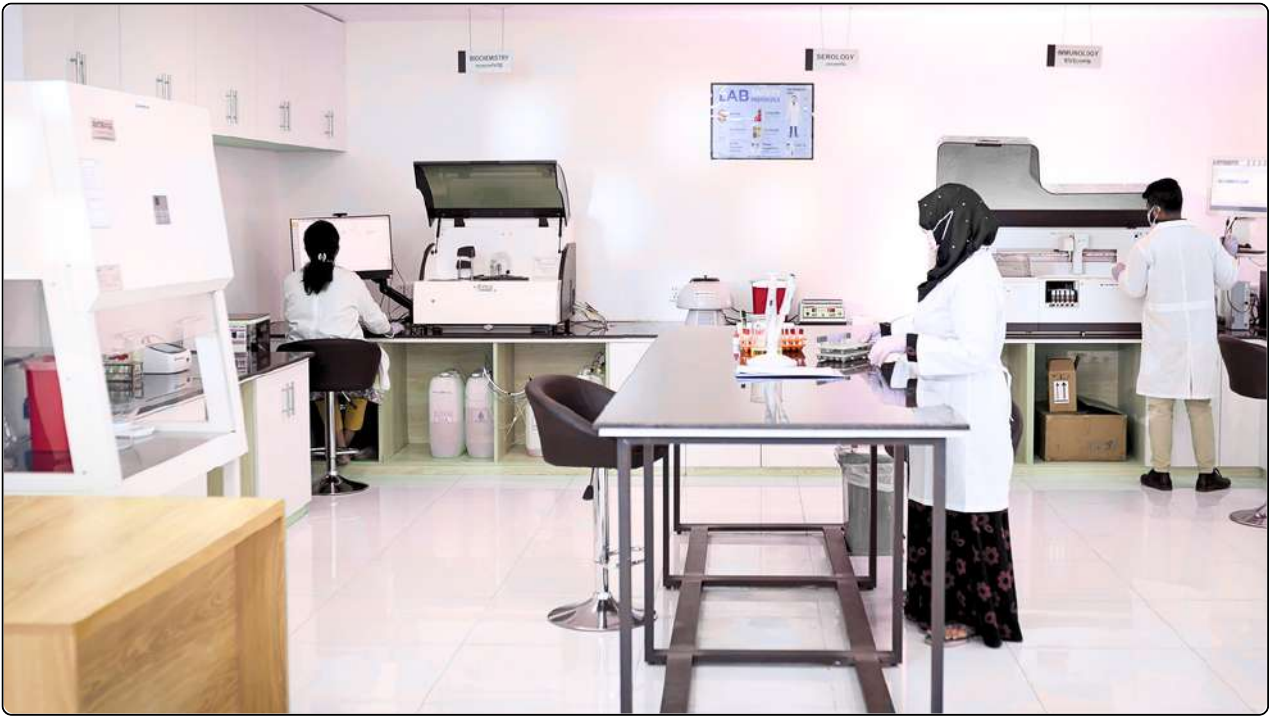

We understand the importance of timely diagnostic results in ensuring effective medical care and a smooth documentation process, especially for visa, employment, and travel-related screenings.

Our Fast Reporting Service is designed to deliver accurate test results within the shortest possible time, without compromising quality or precision.

With fully automated laboratory systems and a digitally managed workflow, every step – from sample collection and processing to report verification and delivery – is streamlined for maximum efficiency. Patients are notified as soon as their reports are ready and can conveniently access them through our online report portal or receive printed copies on-site. This rapid turnaround service not only saves valuable time but also helps patients proceed confidently with their medical and travel plans.

Surokkha's commitment to fast and reliable reporting ensures that your health assessments are completed on schedule, providing peace of mind and eliminating unnecessary delays.

Best Machineries

Surokkha Medical Center Ltd. is equipped with state-of-the-art diagnostic machinery and fully automated laboratory systems to ensure the highest standards of accuracy, efficiency, and reliability. Our investment in globally recognized medical equipment minimizes manual handling, reduces the risk of errors, and delivers precise results consistently.

From advanced analyzers and automated sample processors to cutting-edge imaging devices, every piece of equipment at Surokkha is carefully selected to meet international standards. Regular maintenance, calibration, and quality control protocols are strictly followed to uphold diagnostic excellence.

By integrating the best technologies in laboratory science, Surokkha ensures that patients receive quick, accurate, and trustworthy diagnostic reports – every time.

Sufficient Sitting Arrangement

We prioritize patient comfort by providing a spacious and well-organized sitting arrangement designed to accommodate a large number of visitors without crowding. Our waiting areas are thoughtfully arranged with ample seating capacity to ensure that patients and their families can wait comfortably during their visit.

The environment is kept clean, airy, and monitored for patient convenience, maintaining a calm and organized atmosphere. Whether during peak hours or regular visits, Surokkha's sufficient seating ensures a relaxed experience, minimizing discomfort and ensuring smooth patient flow throughout the day.

Premium Lounge

For clients seeking enhanced comfort and privacy, Surokkha Medical Center Ltd. offers a Premium Lounge designed to provide a relaxed and exclusive environment. Equipped with comfortable seating, refreshments, and a calm ambiance, the lounge ensures a superior waiting experience for patients who value extra care and convenience.

Our Premium Lounge is ideal for corporate clients, VIP travelers, or anyone preferring a quiet and personalized service atmosphere. This facility reflects Surokkha's commitment to delivering not just quality diagnostics but also a premium client experience.

Drinking Water

We ensure that basic amenities are readily available for all visitors. Our clean and hygienic drinking water stations are conveniently placed within the premises to keep patients and their attendants refreshed and hydrated during their visit.

Maintaining health and hygiene at every level is part of our commitment to providing a patient-friendly environment.

Mobile Charging Station

Understanding the need to stay connected, Surokkha Medical Center Ltd. provides mobile charging stations in our waiting areas for the convenience of patients and visitors.

Whether you need to recharge your phone while waiting for reports or during consultations, our easily accessible charging points ensure that you remain powered up and connected throughout your visit.

Testimonial

"I always choose Surokkha for my lab tests because of their quick service and accurate reports. The staff is professional, and the entire process from sample collection to report delivery is smooth and hassle-free."

— **Farhana Akter, Dhaka**

"The diet consultation service at Surokkha helped me manage my health issues effectively. The nutritionist provided a personalized plan that was practical and easy to follow. I feel much healthier now."

— **Imran Hossain, Bashundhara R/A**

"I needed a medical fitness certificate for my job abroad, and Surokkha made the process fast and stress-free. Their GCC-approved screening and efficient service ensured I got my reports on time."

— **Md. Sajjad Ali, Expatriate Worker**

"Before my Umrah trip, I completed my medical check-up at Surokkha. The staff was very respectful, and the entire process was organized. I received my reports quickly without any trouble."

— **Salma Begum, Pilgrim**
